Thank you so much for volunteering at Orleans Primary School. We welcome volunteers to work with us in school to support and enrich our children's learning. As a volunteer within our school, we expect that you will follow our procedures and uphold the values of our school: the aim of this handbook is to guide you in this. Safeguarding procedures

Safeguarding and promoting the welfare of pupils is paramount at Orleans Primary School. Below is a copy of the information that you see when you use the signing in system at school.

Safeguarding Children and Young People – September 2019 Safe Working Practice Agreement for Volunteers, Visitors and Temporary Staff (Including Parents and Carers who volunteer in school)

Orleans Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is everyone's responsibility to ensure that pupils are cared for appropriately and safeguarded from any harm, and it is their duty of care to promote the health, safety and welfare of all members of the school community.

The Designated Safeguarding Leads are:

Jane Evans, Headteacher

Young people can be abused physically, sexually, emotionally or through neglect (See Appendix 1). Helping families at an early stage can prevent abuse. **If you have any concerns about a child's safety, however small, never keep them to yourself.** They may help to clarify a bigger picture and prevent serious harm. We will pass on any safeguarding concerns to the Single Point of Access (SPA) on 0208547 5008.

The Role of Adults/volunteers in regard to behaviour:

Our expectation of all staff and volunteers at Orleans is that they take a proactive approach to identifying and dealing with behaviour issues and that they will model expected behaviours both with each other and with the children at all times and will:

Daily Conduct Requirements for Volunteers

Attendance and Timekeeping

In the event of absence, the school office must be notified – 0208 892 1654 - and they will inform the class teacher.

Smoking

Smoking is not allowed anywhere on site.

Security

- Please follow the safeguarding advice outlined above.
- We ask volunteers to let us know if they see anyone acting suspiciously near our school at any time.
- Volunteers to contact the School Office or a member of staff in an emergency, via classroom telephones. Office number is 200 or 201. Other numbers can be found on the list by telephones.
- Staff based in school are the only people who should be aware of the combination to the main front doors and the staff car park. Please do not ask for this.

Personal Appearance

The school regularly receives visits from parents, potential parents and others, and naturally wishes to convey an impression of professionalism, efficiency and organisation. Therefore whilst not wishing to impose unreasonable obligations on volunteers they are, nonetheless, required to look professional in appearance and wear clothing appropriate to the tasks to be undertaken.

Use of Mobile Phones and Cameras

Mobile phones should not be used when working with the children. Neither staff, volunteers nor children may use their own mobile phones to take photographs for school activities.

Parking

Car parking is very limited, please either walk, cycle or park your car on one of the local streets (Please be aware of the parking restrictions on the roads near the school).

DBS and references

Volunteers who work at the school on a regular basis must have a current (less than 3 years old) enhanced Disclosure and Barring Service check, including a barred list check. For volunteers other than parent volunteers, two references are required. (See Appendix 2 for reference request form). Please contact the school office, via email at info@orleans.richmond.sch.uk, for information on applying for a DBS.

Volunteer Guidelines:

Please do

- Follow the safeguarding and behaviour policies as outlined above.
- Be positive and praise the children.
- Treat all children equally and with respect and expect to be treated with respect.
- Speak to the class teacher if you have any general concerns.
- If you have any whole school issues, please speak to the Headteacher.
- If you have finished what you have been asked to do, please feel free to ask what you can do next – there will be plenty!
- Advise office/class teacher as soon as possible if you are not going to be in school.
- Be punctual.
- Enjoy working and playing with the children.

Please don't

- Discuss incidents/behaviour with any other parents/carers.
- Enter the children's toilets without another member of Orleans staff being present.
- Be alone with a child unless you have a completed DBS check and are directed to do so by the class teacher.
- Touch the children in a way that may upset or hurt the child or appear to be inappropriate in any way.

Volunteer/Pupil relationships and communications.

Volunteers need to ensure that their behaviour does not inadvertently lay them open to allegations of abuse. They must treat all pupils with respect and ensure they are not alone with a child or young person. Where this is not possible, for example, hearing an individual child read in the corridor, it is important to ensure that others are within earshot. A gap or barrier should be maintained between volunteer and child at all times.

Confidentiality

Everyone working within school is expected to respect their position and access they have to confidential information.

It is very important for all staff, parent helpers and other adults working in our school to work to a policy of confidentiality. You may see children struggling with work, be upset or misbehaving and hear/see other information concerning a child while you are with us in school. It is not just children's progress, which needs to be kept confidential. Some children have medical needs to which we must attend: some families have complex circumstances and some children may be experiencing a traumatic time at home and their behaviour at school can be affected. Please do not be tempted to share anything you have seen or heard in the classroom with friends or family or with a child's parent. We have well defined procedures for informing parents of what has happened whilst the children are in school and we will be the first to discuss any issues where we have concerns. If a volunteer is approached by a parent for information, they should refer the parent to the class teacher.

Communication with Pupils

Volunteers should not give their personal mobile phone numbers to pupils, nor should they communicate with them by text message, social networking sites or personal email. Volunteers should be aware that it is not appropriate to use social media to communicate with pupils.

Communication with Staff

Volunteers who have children in school should remember that during the day, they are here as a volunteer. If you have any questions, complaints or areas for discussion regarding your own child, you should make an appointment to see the class teacher before or after school, in the same way that all parents do. Teachers likewise, should avoid discussing children with volunteers whilst they are working at school but again make an appointment to see them after school.

Health and Safety

Report any **first aid incident** in the first instance to the Class Teacher or Teaching Assistant. Any incident where a child is hurt should be referred to one of the trained first aiders, lists of whom are displayed in the medical room. First aid must only administered by qualified members of staff.

- All medication must be sent to the office and is administered from there.
- When changing children after an accident or washing, two adults must be present and at least one must be a member of staff.
- Please do not bring hot drinks into school.

Fire notices and evacuation routes are displayed in every room in the school and volunteers are expected to familiarise themselves with the procedure, particularly routes of exit and meeting points.

Staffroom and kitchen

The staffroom is for the school staff. This is therefore not a space for volunteers.

GDPR

The GDPR (General Data Protection Regulations), which came into force on 25th May 2018 as the Data Protection Act 2018. It is in place to give data subjects control of their data and gives organisations processing that data (including schools) more responsibilities in relation to how they collect, process, store, share and destroy data.

As a school we collect and hold a great deal of personal data – not only about students, but also staff, parents, volunteers, visitors, suppliers and other 'data subjects'. GDPR requires us to not only minimise any risks to the unauthorised access and loss of personal data within the organisation, but also to provide evidence and documentation of our processing activity. As a volunteer **you will need to read our 'Privacy Notice for Governors and Volunteers'**. If you have any questions regarding your personal data you can contact our School Business Manager, Lauren Drake, or our Data Protection Officer, David Coy, whose contact details are listed on our Privacy Notices.

The Headteacher and Governors of Orleans Primary School thank you for your support of the arrangements made for the safety and care of young people and adults in the school community.
