Setting parental restrictions on your child's kit

1. Tap (or click) the icon (Apple, Android, Microsoft Xbox, Nintendo or Sony PlayStation) **or** scan the QR code with your phone's camera
2. Follow the instructions on the website exactly — in particular, setting the age of the child
3. We recommend that you set the device to not allow **any** apps to be installed without your permission
4. Choose a strong password to protect your new settings — **not** the same as the unlocking code!
