

2020/2021	YEAR 5 Curriculum Map					
	<u>Autumn 1</u>	<u>Autumn 2</u>	<u>Spring 1</u>	<u>Spring 2</u>	<u>Summer 1</u>	<u>Summer 2</u>
English	We will be studying a Modern Novel.	We will be studying Poetry.	We will be studying a Picture Book.	We will be studying Traditional Tales.	We will be studying a Modern Fiction.	We will be studying a Classic Fiction.
	At Orleans Primary School, we follow the Power of Reading teaching sequences in order to deliver our English curriculum. Heavy emphasis is placed on discovery of the text and it is for this reason that we are not itemising which texts are studied each term. It is important that the children have little exposure to the texts before embarking on the teaching sequences. We have indicated the genres that will be covered across the teaching sequences and encourage you to frequently ask your children about the texts that they are studying in school and what they have been discovering during their learning. For the academic year 2020-2021, we will also be following a recovery curriculum unit at the start of the year. It is a unit devised by the CLPE (creators of the Power of Reading) that will be used school-wide, allowing us to focus on the same text and foster a sense of learning community throughout the school.					
Maths	Reasoning with large whole integers Integer addition and subtraction	Line graphs and timetables Multiplication and division Perimeter and area	Fractions and decimals Angles	Fractions and percentages Transformations	Converting units of measure Calculating with whole numbers and decimals	2-D and 3-D shape Volume Problem solving
Science	Properties of materials	Experimenting with materials	Earth and Space	Living things and their habitats Circle of life	Animals including humans. Reproduction in animals and SRE	Forces
Computing	E-safety, Computer Rules, Good Internet Research	Handling Data- linked to statistics and foundation subjects	The School Network – looking at how computers are linked together	Web Design- design a web page for a blog Binary	Programming hardware (Crumble) Links with DT	Scratch
