RIGHTS RESPECTING NEWS

As we are a Rights Respecting school, we have a 'Right of the Month' focus in order to help us to learn more of the Articles in the UNCR.

Everyone under the age of 18 has all the rights detailed in the UNCR.

This month, October, our Right of the Month is:

ARTICLE 28 (right to education) Every child has the right to an education. Primary education must be free and different forms of secondary education must be available to every child. Discipline in schools must respect children's dignity and their rights. Richer countries must help poorer countries achieve this

Please remember that if you wish to find out more about the Articles, there is a link in the Rights Respecting section of the school website.

ALLOTMENT COMPETITION

Well done to all those who entered our Allotment Competition. All entrants received a certificate and the winners and runners up received a prize.

Congratulations to the Winner – Daisy in Year Six:

And the two runners up - -Oliver in Year 6 and Ivy in Year Five:

Here are some pictures of the Year One pupils enjoying helping out with the allotment.

YEAR THREE SAFER WALKING TRAINING

Last week, Year 3 took part in their Safer Walking Training run by the Richmond upon Thames Road Safety Team. The children took to the local roads and over three sessions learnt basic road safety techniques like where to cross safely, how to use crossings correctly and dangerous places to cross on roads. Each child received a badge on completion of their training and learnt a lot over the three sessions. The Year 3 teachers were all very proud of how the children conducted themselves out of school and members of the training team commented on the children's superb behaviour. If anybody needs help crossing the road in the future, ask a Year 3 child!

YEAR TWO SLEEPOVER

Year Two held a pretend sleepover in their pyjamas last Friday. This was a hook lesson for the new book they are looking at in English all about a little boy who is afraid of the Dark! See photos below:

OPPTA NEWS

Orleans Primary is running the Virgin London Mini Marathon and raising money for OPPTA!

By October 9, the children will have each run 2.6 miles during their movement mile at school and will be awarded the Mini Marathon certificate.

As you know, OPPTA relies on events to generate income for the school, and sadly, we are not going to be able to hold many of our Christmas activities. Hopefully this event will go some way to making up that fundraising, so we have set a very ambitious goal of £2,600 across the school. This works out to a little over £160 per class.

Please donate now to support OPPTA and the kids fab running efforts and feel free to spread the word to family and friends: <http://virginmoneygiving.com/fund/orleansprimaryminimarathon>.
