Christmas performances - Orleans Primary school

Due to the current restrictions in place, we are unable to provide live performances to parents/carers for each class Christmas production.

Our intent therefore is to film each class performance individually, and that these films will be uploaded to individual classes Google Classroom or Tapestry.

Additional information on the Christmas productions and information regarding parent/carer consent, can be found via the following: [Christmas Performance Consent](#)

Please contact the school office should you require any additional information on this matter.

Kind Regards
The School Office
