

Maths

This week we are combining two groups of items to find the total. We will be using the part whole method and the language

One part is __. The other part is __.

There are __ altogether.

Power of Reading

On Sudden Hill

By Linda Sarah and Benji Davies

We will be continuing our journey with Sudden Hill and exploring the friendships and feelings involved.

At home

Blending fun

Try playing a sound blending game at home...

Play a listening and drawing game with a grown-up. Take it in turns to sound out a word by saying the letter sounds and then the other person has to draw the item! Try the words: hat, sun, ten, pan, box.

With a grown-up, play a listening game about a visit to a farm. 'I went to the farm and I saw ...' – instead of saying the animal name, split the word up into its 3 letter sounds. The other person has to identify the animal by blending the sounds together. For example: 'I went to the farm and I saw had a 'c-a-t.' - 'It's a cat!' Try the words; cat, dog, pig, cow, hen, sheep, goat, horse.

Phonics

Our new focus sounds this week are...

will be our first **digraph** -

(a combination of two letters representing one sound)

Meet the colour monster

Through the book the **Colour Monster** by Anna Lenas we will be exploring our feelings. The book links colours to different feelings and helps us to understand and talk about them.

Ordering numbers

We have been busy at school ordering 1-10 at home you could practice this by ordering numerals or amounts of objects.

Upcoming events/Key dates

- Friday 11th December – Christmas jumper day
