

2022-23	YEAR 6 Curriculum Map					
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Across Year 6, we will be studying a historical story; a collection of poetry; a media/film study and a transition text.					
	At Orleans Primary School, we follow the Power of Reading teaching sequences in order to deliver our English curriculum. Heavy emphasis is placed on discovery of the text and it is for this reason that we are not itemising which texts are studied each term. It is important that the children have little exposure to the texts before embarking on the teaching sequences. We have indicated the genres that will be covered across the teaching sequences and encourage you to frequently ask your children about the texts that they are studying in school and what they have been discovering during their learning.					
Maths	Integers and Decimals Multiplication and Division Calculation Problems Fractions Missing Angles and Lengths		Coordinates and Shape Fractions Decimals and Measures Percentages and Statistics Proportion Problems		SATS Focus on applying mathematical skills to real-life contexts (e.g. Fiver Challenge)	
Science	Electricity	Animals including Humans	Living Things and Habitats	Evolution and Inheritance		Light
Computing	Online Safety - Cyberpass	Bletchley Park	Touch Typing (Englishtype.) Safer Internet Day	Intro to Python	Big Data 1	History of Computers
History	The story of the Trojan Horse; historical fact, legend or classical myth?		How did a pile of dragon bones help to solve an ancient Chinese mystery?		Why did Britain once rule the largest empire the world has ever seen?
