

At Orleans Primary School, we follow the Power of Reading teaching sequences in order to deliver our English curriculum. Heavy emphasis is placed on discovery of the text and it is for this reason that we ask that you do not provide the text to your children ahead of their learning in school. It is important that the children have little exposure to the texts before embarking on the teaching sequences. We encourage you to frequently ask your children about the texts that they are studying in school and what they have been discovering during their learning.

2022-2023	English Curriculum Map
